

Emergency & Critical Care Specialist
Animal Referral Centre, Auckland, New Zealand

Animal Referral Centre (ARC) is a family-owned specialty and emergency veterinary practice. Established in 2016, in a short time we have gained a reputation for excellence in patient care and developed outstanding relationships with our referring veterinarians. ARC has the largest range of veterinary specialties in New Zealand, including surgery, internal medicine, oncology, neurology, cardiology, dermatology and emergency and critical care.

Due to growth, ARC is expanding into fabulous new purpose-built premises right in the heart of Freemans Bay (ARC Central), in mid-2023. Our new clinic will complement our Schnapper Rock clinic (ARC North), providing the same outstanding veterinary care that our patients & clients deserve.

We're looking for a Specialist in Emergency and Critical Care (part time or full time) to work alongside our current ECC specialist at our new hospital. Our ideal candidate would be a board-certified specialist in emergency and critical care (DACVECC, ECVECC or FANZCVS) but veterinarians who have completed residency training are also welcome to apply.

The remuneration package for this position is competitive, commensurate with experience and a generous relocation allowance is offered. We offer a 4 day work week, a generous CPD allowance and paid time off for CPD.

Animal Referral Centre is based in Auckland, New Zealand. This is a great place to live - we have all the benefits of a large city with a slower pace of life. For nature enthusiasts, we have the Hauraki Gulf perfect for boating, water sports or swimming and beautiful subtropical bush for tramping. Auckland has a thriving city scene with theatre, festivals, world class restaurants and plenty of excellent shopping.

Why Should You Apply?

- Excellent opportunities for professional development
- Collegial team with plenty of support
- Competitive salary, benefits and relocation package
- Family-owned multi-disciplinary specialist and emergency practice

To apply, please send a CV and cover letter to Anna.Gavin@arcvets.co.nz
